

New Name?

Some people have suggested changing the name of this newsletter, due to the fact that it may be a little misleading. So, I want to know what you think. Should we change the name of this newsletter? If so, do you have any suggestions for a new name?

MidEast Peace Conference

The Annapolis Peace conference was held on November 27th. At the conference, Israel and Palestine decided to try to reach a peace agreement by the end of 2008. It may be that this is a necessary part of God's plan. We read the story of Joseph last Shabbat. Joseph was sold into slavery by his brothers but it was part of God's bigger plan.

All we can do is pray that God's will be done.

Radio Station

KDSH (the Messianic radio station in Borger) has applied for a high power license. This would allow the radio station to reach a larger area. However, we recently found out that there are competing applications for the same frequency. There are several paths that God could lead the radio station through. Pray that God's will be done.

Questions

One of the best ways to learn is by asking questions. I have added a thread to the website forum for that purpose (based on something I saw on another website). It is a place to ask and answer Bible related questions. Link below:
